1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Power in Greenville County, South Carolina.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am appalled at the projected increase in Electric rates being proposed by Duke Power. At a time when everyone is struggling to "make ends meet", Duke is proposing a 17% increase! I have been unemployed for over two years and can no longer receive unemployment. I am working part-time just to pay the bills and provide necessities for my family. Adding more expenses to my already stressed budget is not something I need. Relief is what I need. Please reconsider this proposal and reject it or come up with something better.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)
